

Give consumers the ultimate account opening experience.

INMO+ offers a fast and efficient end-to-end application process – online and in-branch.

If marketing were a race, the last thing you would want is a roadblock just before the finish line. Consumers want an easy application process. So it's crucial that you provide a seamless process for them wherever they choose to open their account – both online and in-branch.

INMO+ is designed to enhance the online account opening experience for your institution. It will enhance your security, reduce your operational effort, and maximize your marketing investment.

A win for your institution...	...and a win for the consumer.
<p>Enhances security</p> <p>By using Experian's Precise ID identity verification platform and FIS QualiFile fraud prevention, you will receive quality applicants and reduce fraudulent applications.</p> <p>Reduces operational effort</p> <p>Minimize time spent evaluating applicants with automated decisioning. INMO+ also has workflow capabilities and core integration capabilities to onboard new accounts with the click of a button.</p> <p>Maximizes your marketing investment</p> <p>Eliminate application obstacles to ensure consumers who view your marketing messages actually convert on any device.</p>	<p>Convenient experience</p> <p>Whether applying through your website or in-branch, consumers can start and finish their application in the same place.</p> <p>Quick 3-step application process</p> <p>Enhanced features let consumers complete their account opening with no lag time:</p> <ul style="list-style-type: none">• Personal information can be pre-filled with ID upload or photo capture.• Funding options through ACH transfer, Paypal, and credit/debit.• Real-time notifications on application approval or status.• Digital account opening for the Kasasa app included
